

Stage 2: Providing feedback to other students

1 Click "Milestone 1 Submission"

The screenshot shows the UNSW Student Portal interface. At the top, there is a navigation bar with the UNSW logo and links for 'Dashboard', 'My courses', 'Recent', and 'AI'. Below this is a secondary navigation bar with a hamburger menu icon and links for 'Course', 'Participants', 'Grades', and 'Competencies'. The main content area is titled 'Section 8' and contains an 'Assessment' section. Within the 'Assessment' section, there is a link labeled 'Milestone 1 Submission' with a red circle highlighting the word 'Submission'. Below this link, there is a message: 'Please submit your milestone 1 assessment report here!' followed by 'IMPORTANT!' in red text, and then 'Please DO NOT put your name/zID on your submitted report.' in red text. At the bottom of the 'Assessment' section, there is another link labeled 'Assessment of feedback received'.

Complete the assessment form by selecting a scale and provide written feedback using the questions as a guide for each of the 5 criteria/aspects.

Assessment form

Aspect 1

Business context and articulation of problem(s)

- Was the problem clearly identified and well-defined?
- Is context and insight into the problem provided?
- Is the analysis substantial and thorough?

Scale Guide

Excellent	Good	Satisfactory	Needs Improvement	No attempt	Improvement Suggestions
The problem is well-defined, with deep context and insightful analysis that is substantial and thorough.	The problem is defined but may lack depth in context or thoroughness in analysis.	The problem is somewhat identified but lacks clarity or context; analysis is basic.	The problem is unclear or poorly defined with little to no context or analysis.	No attempt/Very poor attempt	1. Provide more specific context and insight into the problem. 2. Clarify the problem definition.

6 At the end of the assessment form you will have a few options:

- You can navigate to the next peer assessment if you click "Save and show next" button.
- "Save and close" will save the peer assessment (this will only work if you have filled out the entire assessment form).
- "Save and continue editing" saves a draft only it doesn't mean that you have finalised your peer assessment.
